Dear Ms Boyd:

This acknowledges my receipt of your letter dated December 21, 2005 and the attached Notice of Hearing.

I have informed Mr. Terreni under separate cover that for medical reasons I am unable to be available for the scheduled Hearing on January 12, 2006, with the request to continue the date.

Moreover, I have also notified him that the notice was too short, particularly as I did not know about the proposed Hearing until I received a telefax letter from him on January 5th, 2006. The two letters previously sent were then delivered to me after I made enquiries of the party that had received them earlier on my behalf and had not delivered them to me because of my medical condition.

Please note that I have not received a copy of Commission Order 2005-774 from your Office or elsewhere.

It has occurred to me that your Office may not have received the following documents that I have telefaxed and mailed to Mr. Terreni at his office on January 6th and 10th, 2006.

1. Telefax message transmitting notarized affidavit of Beatrice Weaver attached to Motion to Continue.
2. Telefax message transmitting Beatrice Weaver's Motion to Continue Hearing Date.
3. Motion to Continue Hearing Date.
4. Affidavit of Mrs. Beatrice Weaver to Motion to Continue.
5. Certificate of Service.

Meanwhile, pursuant to the instructions included in the Notice of Hearing you mailed me, as to PSC procedures, please be so kind and fax and mail me return the following:

1. Copy of Commission Order 2005-774 -- Date unknown.
2. Copy of Commission rules and regulations as to procedures for delivery of Commission Notices to parties, and vice versa., and procedures for Appeals of Commission proceedings.

Thank you.
